## PERFORMANCE ENHANCEMENT SEMINAR

---

### D1 SPORTS TRAINING / THERAPY

On Thursday evening the expert training staff from D1 Sports Training and Therapy will conduct a performance enhancing seminar for all campers. D1 Sports is continuously developing and refining the most current training techniques, enabling athletes to increase their overall speed, strength, explosiveness, agility and sport-specific ability. Their speed development curriculum techniques were developed and refined by strength and conditioning coaches who are well-known as leaders in the industry.

The MPA philosophy towards performance enhancement is...if we are going to ask you to run...we want to start by showing you how. This seminar is offered as a complimentary addition to your MPA experience.

# Archie Manning, Executive Director:

Leadership, dedication and commitment have enabled Archie Manning to succeed both on and off the football field. Archie oversees every aspect of the Manning Passing Academy and makes all the audibles when it comes to teaching and coaching. Manning's background is truly reflective of the ideals and dedication necessary to compete on the football field.

Currently Archie serves as Chairman of the National Football Foundation College Hall of Fame and is an active member of the Allstate Sugar Bowl championship committee.

In the NFL, Archie was the 2nd player selected in the 1971 NFL draft and went on to a brilliant 14-year career that included stints with the New Orleans Saints, Houston Oilers, and Minnesota Vikings. As the New Orleans Saints field general, Archie was named league MVP in '78 and was twice selected to the Pro Bowl. He is a member of the New Orleans Saints Hall of Fame and its Ring of Honor.

As a college quarterback at Ole Miss, he is considered one of the greatest players ever to wear a Rebel uniform, he was the recipient of the Walter Camp Award and was selected to the All-American, All-SEC and All-South teams. Archie was the SEC Player of the Year in 1969. And in 1989, he was inducted into the College Football Hall of Fame. He is also an inductee in the Ole Miss, Sugar Bowl and Gator Bowl Hall of Fames.

As a community leader, he has supported numerous non-profits and charities over the years in both Louisiana and Mississippi while continuing to assist those who share his love for the game of football. He has been recognized across the nation for his character, integrity and leadership on and off the field.

In April, Archie was honored with the Football Bowl Associations Champions Award and this past year, he was recognized as the 2018 Walter Camp Football Foundation Distinguished American Award recipient, the Southeastern Conference Legend's 2018 Mike Slive Distinguished Service Award selection and awarded the National World War II Museum's American Spirit Medallion; Past recipients of this award include former President George H.W. Bush, Tom Brokaw and Gen. Colin Powell.

Archie also received the prestigious Gold Medal Award (2016) from the National Football Foundation and College Hall of Fame, became the eighth recipient in 2013 of the NFL's prestigious "Pat Summerall Award" and in 2004 honored as the recipient of the Davey O'Brien Legends Award.

A portion of the Manning Passing Academy proceeds is donated to Special Olympics Louisiana and Bridge House/Grace House New Orleans. Archie and Peyton have written a book entitled "Manning: A Father, His Sons and A Football Legacy" and also have a national quarterback award named after the family – the Manning Award, hosted by the Sugar Bowl Committee, in honor of Archie, Peyton and Eli. This award is the only national quarterback award that considered the candidates post-season play.

For almost four decades, the Manning family and the quarterback position have been practically synonymous with one another. As such, their summer vacations always revolve around the annual Manning Passing Academy, a family-owned and managed football camp that embraces the basic fundamentals of football while catering to the offensive skill positions of RB, TE, WR...and of course QB.

Archie and his wife Olivia (a former Homecoming Queen at Ole Miss) reside in New Orleans are the proud grandparents of nine grandchildren by Cooper, Peyton and Eli.

## Cooper Manning, Senior Associate Director:

Cooper was a two-time All-State wide receiver at Isidore Newman School in New Orleans and played in the Louisiana High School All-Star Game as well as participating on two state championship basketball teams.

He was heavily recruited by Division I schools out of high school including Texas, Virginia, and Ole Miss before deciding to attend his father's alma mater (Ole Miss) on a football scholarship. A career-ending injury forced the Rebel wide receiver to the sidelines, but his love for the game has never diminished.

Cooper's experience in high school, college, and professional sports has made him a natural fit for the broadcast booth and he has hosted and or co-hosted numerous projects over the years, including both television and radio shows during football season on WWL in New Orleans.

One of the most popular staff members among the campers, he is never too busy to lend instruction or a helping hand. He is always the first to arrive at camp and the last to leave. He prides himself on his ability to entertain campers after practice as he hosts a live Q&A session with all the college players on staff.

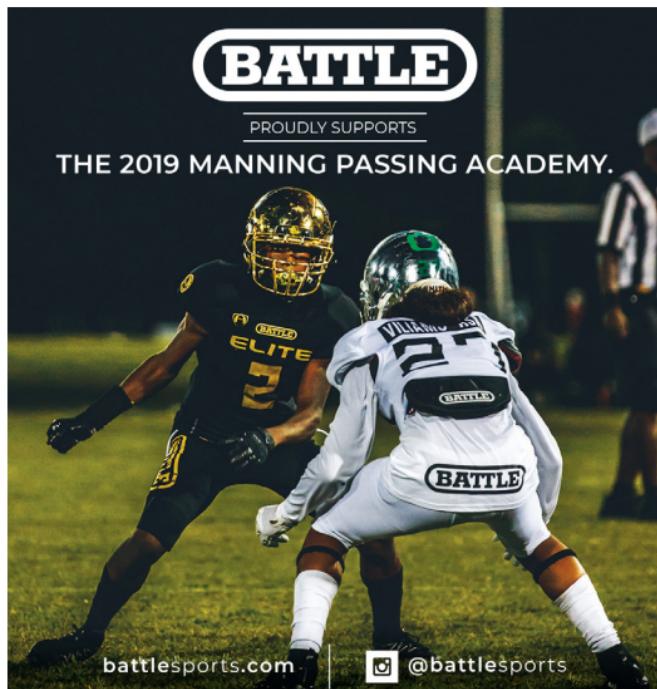

He is currently a Principal at AJ Capital Partners, a vertically-integrated real estate development and investment firm. As the Senior Managing Director, Cooper focuses on business development and investor relations. In 2014, A.J. Capital launched the Graduate Hotels brand, a hand-crafted collection of hotels in university-anchored markets across the country. They will have 23 Graduate hotels open by 2020.

During the NFL season, Cooper hosts "The Manning Hour (Minus 58 Minutes)" on FOX Sports NFL Sunday.

He is active with the National Multiple Sclerosis Society, The Academy of Sacred Heart and his alma mater Isidore Newman School.

A University of Mississippi graduate, he resides in New Orleans with his wife and three children

Cooper remains the most handsome Manning and has no plans of losing that title.

# Peyton Manning, Senior Associate Director:

Retirement from the NFL after a stellar 18-year career, hasn't slowed Peyton down a step as he continues to be active in his community, his high school and college alma maters as well as shaping young lives of football players looking to learn more about the game.

This June, he was inducted into the Louisiana Sports Hall of Fame, the Tennessee Sports Hall of Fame and in 2018, he was a Colorado Sports Hall of Fame inductee.

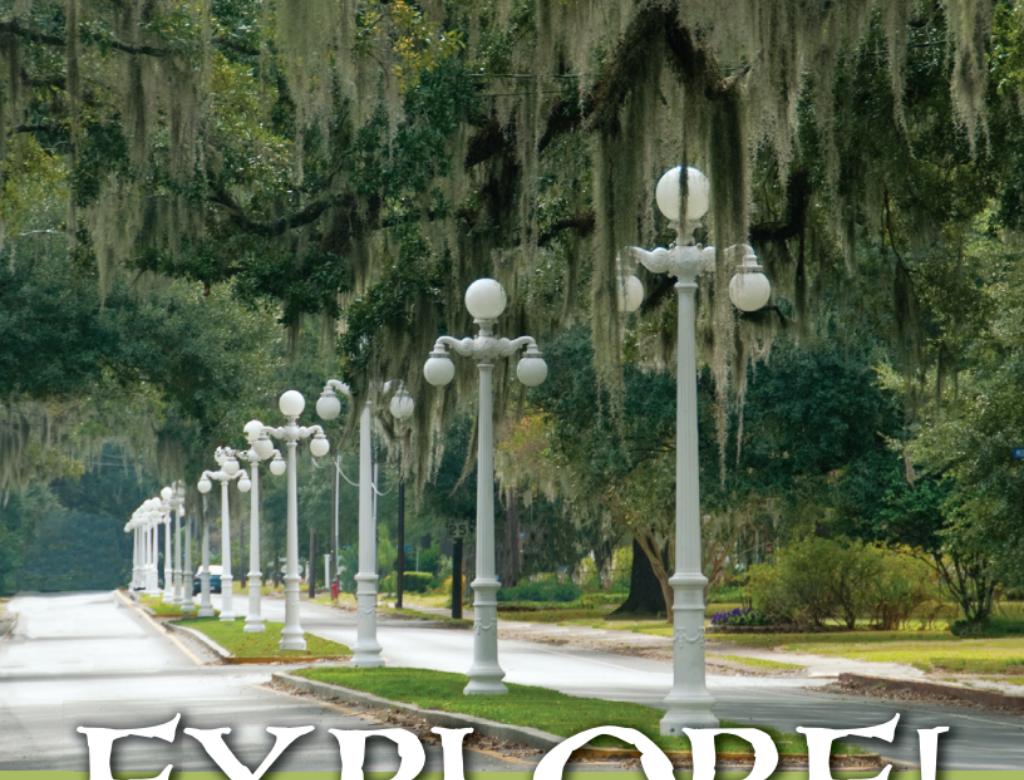

In 2017, Manning received the Lincoln Medal, had his Indianapolis Colts jersey No. 18 retired at Lucas Oil Stadium and finished the year with a December induction into the National Football Foundation College Football Hall of Fame as a member of its Class of 2017.

## In the NFL

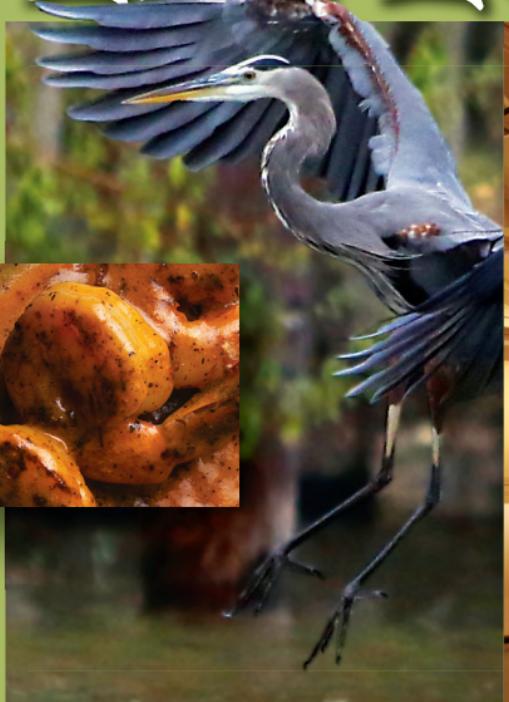

Regarded as one of the best quarterbacks to have ever played the game, Peyton set many NFL major career records, led two different teams to Super Bowl victories and a five-time NFL MVP selection, that would make him a first ballot selection for Canton.

Manning climaxed his NFL record-setting career, leading the Denver Broncos to a win in Super Bowl 50 but It all started for Peyton being selected with the first overall pick in the 1998 NFL Draft by the Indianapolis Colts, and he quickly made his presence known, setting five different NFL rookie records, including most TDs in a season and was named to the NFL All-Rookie First Team.

During his first 14 NFL seasons with the Colts, Manning set team records in nearly every career passing category and started 16 regular season games for 13 consecutive seasons and a Super Bowl MVP selection in the Colts win over the Chicago Bears in Super Bowl XLI.

He completed more passes, thrown for more yards and touchdowns in a career-opening 13-year span than any NFL player in history. In the process, he has torched all the NFL, AFC, and Colts record books, won back-to-back MVP honors for second time in his career (2003-04 and 2008-09) and in 2009, was listed by the Sporting News as the No. 1 player in the NFL.

In 2012, Manning took over as QB of the Denver Broncos and didn't miss a beat after recovering from neck surgery in 2011, leading the Broncos to an AFC best 13-3 record. He also ranked second among starting quarterbacks with a passer rating of 105.8, third in touchdowns with 37 and accumulated 4,659 passing yards. He set Broncos single-season passing records in nearly every major passing category. For his accomplishments, he was recognized by the Associated Press as the 2012 NFL Comeback Player of the Year and also was named to his 12th Pro Bowl, his 6th as a first-team selection.

Manning enjoyed arguably his greatest season in 2013, earning his fifth MVP award and making his third trip to the Super Bowl while setting NFL single-season records in passing yards, touchdown passes, and quarterback rating. The Associated Press selected him as the 2013 Offensive Player of the Year and also was the 2013 FedEx Air Player of the Year. He also set Broncos single-season records in those categories, while his completions, yards and touchdown passes were career highs.

He continued his record setting pace in the 2014 season becoming the NFL's all-time touchdown leader with 530 TD's. He also led the Broncos to the playoffs for the third consecutive year and was selected to his 14th Pro Bowl. In his 18th and final season in the NFL, Manning led the Broncos to a Super Bowl victory and his second Super Bowl MVP.

In his career, Manning was selected the 2001, 2004 and 2005 Walter Payton/Indianapolis Colts NFL Man-of-the-Year for his participation in community affairs and in 2005, received the Walter Payton NFL Man of the Year. He was also the recipient of the 2015 Bart Starr Award.

#### As a Collegiate

He was a four-year starter for the University of Tennessee and saw action in 48 games, with 45 starts, set 33 school records, eight SEC records and two NCAA marks, and ended his college career owning SEC record for wins as starting QB (39-6), completions, passing yards, total offense, and completion percentage.

## Eli Manning, Senior Associate Director:

Entering his 16th NFL season, Eli has been an iron man in the league since making his first start on Nov. 21, 2004, which began a streak of 210 consecutive regular season games ranking him with the 3rd longest streak by a quarterback in NFL History. As with the start of the 2019 season, Eli's 230 starts ranks him 3rd among active quarterbacks.

Following in his brother's footsteps, Eli was a first draft pick (2004 Draft), played in multiple Super Bowl's and was also selected as a Walter Payton NFL Man of the Year Award recipient.

Eli has won two Super Bowls and earned two Super Bowl MVP honors. In 2008, Eli led the Giants to victory in Super Bowl XLII and was named MVP (a year after Peyton won MVP). In 2012, Eli staked his claim among the premiere NFL passers when he led the Giants to their second Super Bowl title and also claimed his second Super Bowl MVP award in Super Bowl XLVI. He joins Phil Simms and Otis Anderson as the only Giants who have won the MVP award and the only Giants quarterback to win it twice.

He is also the Giant's all-time leading passer and owns six all-time Giants passing records. He is the first Giants quarterback to throw for more than 3,000 yards in 14 consecutive seasons, the first to have seven 4,000-yard seasons and the first to throw at least 20 touchdown passes 8 years in a row. He also tossed 20 or more touchdowns in 13 seasons as a starter.

Manning has thrown for at least 3,000 yards as a starter in 14 of the past 15 seasons. In 2011, he threw for a career-high 4,933 yards. Manning has participated in four pro bowls during his career at Ole Miss, Eli set or tied 45 single game, season, and career records.

In his senior year, Eli led the Rebels to a 10-3 record and a 31-28 SBC Cotton Bowl victory over the Oklahoma State Cowboys in 2003; won the Maxwell Award, given to the nation's top collegiate player; the Johnny Unitas Golden Arm Award, given to the nation's top senior quarterback; and the Walter Camp Foundation Player of the Year Award.

Eli was the SEC Player of the Year and earned the Conerly Trophy as the top collegiate player in the state of Mississippi.

Eli joined his brother Peyton by volunteering in the wake of Hurricane Katrina and together they assisted in the delivery of 30,000 pounds of water, Gatorade, baby formula, diapers, and pillows to the people of New Orleans.

He championed the construction of "The Eli Manning Children's Clinics" at the UM Hospital for Children raising \$2.5 million and for the past six years has hosted the "Guiding Eyes For The Blind Golf Classic", the oldest and largest charity event in Westchester County, NY. He has also been chairman of the annual Walk for Babies, a flagship event for the March of Dimes.

Born and raised in New Orleans, Louisiana, he attended Newman High School and was an All-American, All-State and All-District pick at QB.

Eli and his wife Abby are the proud parents of three daughter's Ava, Lucy, and Caroline and one son, Charles "Charlie" Elisha.

## MPA 24TH ANNIVERSARY

The Manning Passing Academy is owned and operated by the first family of football; Archie, Cooper, Peyton and Eli Manning... and is an integral part of their lives, as such their summer vacations always revolve around the annual football camp. The Mannings are always the first to arrive and the last to leave. The concept of this camp sprang from the concern that even the most basic fundamentals of throwing and catching a football were either seriously lacking or virtually non-existent during a youngster's developmental years (high school). It was this concern that motivated the Mannings to bring together some of the most successful and brightest coaches and players from the professional, college, and high school ranks each summer in Louisiana. And although the Manning name has been practically synonymous with the quarterback position for almost four decades...the MPA is not just for QBs.

## MPA 5 PILLARS OF STRENGTH

We also want to provide insight into the MPA's 5 Pillars of Strength by encouraging all of our campers to become physically strong, mentally strong, emotionally strong, spiritually strong and in addition fundamentally strong, which we accomplish through our training regimen.

For more than five decades the Manning family and the quarterback position have been practically synonymous with one another. Their summer vacations always revolve the annual Manning Passing Academy, a family-owned and managed football camp, that embraces the basic fundamentals of football while catering to the offensive skill positions of RB, TE, WR and of course QB.

## AREAS OF INSTRUCTION

The MPA boasts a camper to coach ratio of better than 10:1

- Quarterbacks** – Stance, Exchange, Drops, Set-up, Sprint Out, Play Action, Screens, Ball Handling, Option, Reading Defenses, and Field Leadership.
- Wide Receivers** – Stance, Start, Release, Route Running, Cuts, Receiving, Blocking, and Reading Defenses.
- Running Backs** – Stance, Start, Ball Handling, Ball Security, Pass Protection, Run Blocking, Route Running, Play Action, Screens and Reading Defenses.
- Tight Ends** – Stance, Start, Release, Run Blocking, Pass Protection, Route Running, Receiving, Ball Security, Reading Defenses.
- Concepts** – Our coaches will introduce defensive football as well so that you can recognize alignments, strategies and coverage schemes. How coverage schemes work and how to attack zone, man and combo coverage. Understanding pass protection schemes and their strengths and weaknesses. RPOs: Run/ Pass; Option decision-making.

**FUEL YOUR GAME FROM KICKOFF TO THE FINAL WHISTLE.

# MPA EVENING SPEAKERS

Every evening the MPA conducts speaker sessions conducted by professional coaches and lecturers who will emphasize the holistic student-athlete. Our highly structured daily schedule and regimen completes each day with skull sessions and chalk talks.

## VIDEO HIGHLIGHTS

Each evening session will conclude with a VIDEO of the highlights of the day's activities and events narrated and hosted by Cooper Manning. The video will capture every aspect of the camper's day and ultimately all of the daily videos will be combined together into a single production that will be made available to all of our participants on YouTube at the conclusion of camp at no cost.

## PRO PLAYER FORUM W/ PEYTON & ELI

This must see forum is presented by Peyton and Eli Manning who will provide a unique insight into the world of professional football. They will share the sacrifices and hard work to make it to the next level as well as what the benefits are. Not to mention the harsh reality of how few actually make it to that level (2% of college players) which truly reveals how important a college degree is.

## COOPER'S COLLEGE COLLOQUIUM

Everything you wanted to know about college football but were afraid to ask. Eldest son Cooper Manning emcees a panel of accomplished college football players and conducts an interactive question and answer session between the high school players and the collegians.

## GATORADE – Hydration & Nutrition

It is essential for football players to provide their bodies with the proper nutrients. This session will provide practical sports nutrition and hydration strategies to fuel athletes during practice, training, and game day. Jamie Meeks of the New Orleans Saints will share her insights into fueling football players at an elite level.

## RIDDELL – The Head Protection Leader

Riddell, the leader in football head protection and innovation, is dedicated to protecting athletes everywhere using cutting-edge technology and game-changing design. Using the latest in manufacturing, engineering and data, Riddell has focused on creating the next generation of head protection. Riddell never stops innovating by constantly operating at the forefront of technology, designing the future of the game, today.

## WILSON – Training Systems & Metrics

Wilson Sporting Goods is testing all QB's with our connected football training system, where we capture throwing metrics like velocity, spiral efficiency, spin rate and release time. Wilson Football will present the data from campers and explain how these metrics assist in the development of QB's at all levels. EvoShield exists to keep athletes on the field, and we will do a live product demonstration on the various benefits that a player receives by wearing the custom molded protective equipment".

## NCAA INITIAL-ELIGIBILITY SEMINAR

Staff members from the NCAA will conduct a seminar geared towards educating high school student-athletes who intend on participating in college athletics. The NCAA will share the core courses they must take while still in high school and the resources that are available to them to help them reach their goals.

## CHALK TALK (Let's talk Xs & Os)

Every evening we will have our on-staff coaches discuss the mental aspect of football and go deep into the Xs and Os. Understanding both sides of the ball (offense and defense) will allow you to be a more efficient and effective football player. Topics to be discussed:

- Introduction to Defensive Football
- Defensive Alignment & Strategy
- Understanding Defensive Coverage Schemes
- Attacking Defensive Coverage Schemes

## TEAMS & TEAM RATES

We welcome and encourage coaches who want to bring their offensive skill players to camp. We offer tiered rates (we do not offer group rates) with 7 or more players from the same high school team. You will be able to have your squad practice together during Passing League competition in the evenings. For more information on tiered tuition team rates go to our web site.

## PASSING LEAGUE

All campers are broken up into 7-on-7 teams for Passing League contests. Teams and groups that come together will be afforded the opportunity to play together.
